

We've made changes to your performance summary.

We are always looking for ways to enhance and clarify your statement experience.

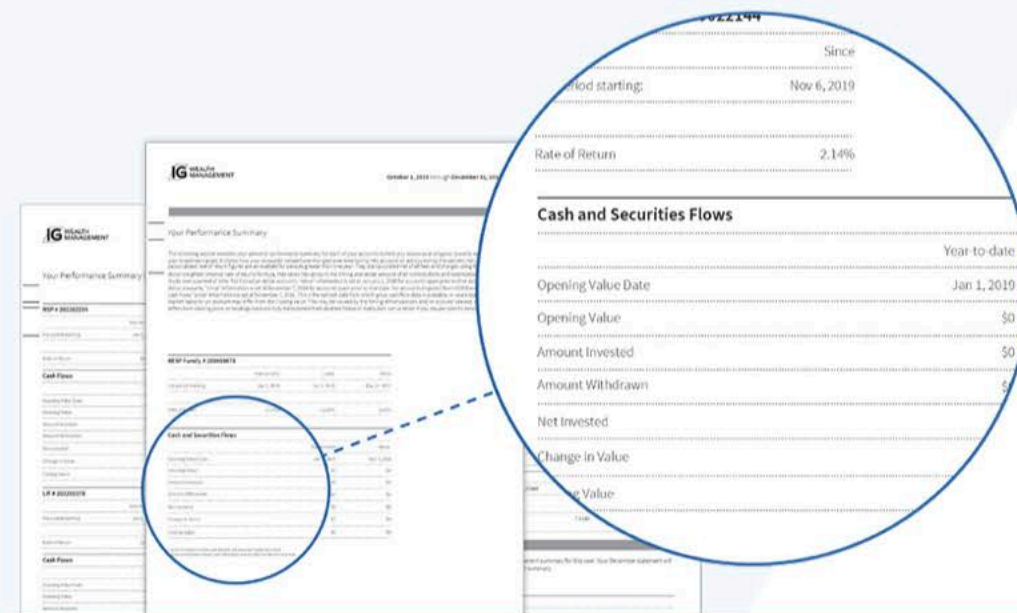

What's new?

We've added a breakdown of cash and securities flow to 'Your Performance Summary'. This allows you to see Amount Invested, Amount Withdrawn and Net Invested for the current Year-to-date and 'Since' account inception*.

* For accounts migrated from B2B Bank, gross cash flows "since" information is set at November 7, 2016. This is the earliest date from which gross cash flow data is available.
