

Information Update

As required by securities regulations, and as part of our ongoing commitment to keep you informed about changes to our mutual fund offering, and other information available related to your mutual fund investments, we are pleased to provide you with the following update . Unless otherwise indicated below, **no action on your part is required.**

Mutual Fund Reports

At your request, we will send you a copy (by mail or email) of the Annual Financial Statements and/or Interim Financial Report and the Annual and/or Interim Management Reports of Fund Performance (“MRFPs”) for your Investors Group mutual funds. Alternatively, you can obtain a copy of these Reports at any time from our website at investorsgroup.com, or at the SEDAR website at sedar.com.

Financial Statements

A Fund’s Audited Annual Financial Statements give you a summary of its financial position as of its fiscal year-end. Its Unaudited Interim Financial Report also gives you this information for the six month period after its year-end. These reports include statements of financial position, comprehensive income, cash flows and changes in financial position, as well as a list of the investments in the Fund’s portfolio.

Management Reports of Fund Performance

MRFPs are published twice annually and supplement the Financial Statements. The MRFP includes the portfolio manager’s comments on the Fund’s performance over the period and discusses recent developments and important trends that could affect future performance, as well as other relevant information. MRFP’s are made available at the same time as your Fund’s Financial Statements.

To be added or removed from our MRFP and/or Financial Statements mailing list, please enter the following URL in your

web browser and follow the instructions., where you can select the delivery method for these reports, which is either by mail or email.

Fund Facts Delivery

If you currently have a Pre-Authorized Contribution (“PAC”)² arrangement for your Investors Group mutual fund, you will not receive the Fund Facts document (“Fund Facts”) for the series you are purchasing for any purchases after your initial purchase under the PAC arrangement unless you request to receive a copy of the most recent Fund Facts³, which is updated on an annual basis (or more frequently as required).

By not receiving the most recent copy of the Fund Facts prior to any subsequent purchases under your PAC, you will not have the right to withdraw from those purchases (and to have all of your money for those purchases returned to you) within two business days of your purchase (or as otherwise prescribed by law), but you will still have a right to rescind a purchase if the Simplified Prospectus, or any documents incorporated by reference into it (including the Fund Facts), at the time of the purchase has a misrepresentation.

You continue to have the ability to terminate your PAC at any time before each scheduled investment under your PAC. Please see ‘Additional Information’ for how you can request to receive a copy of the Fund Facts for any series of your fund.

1 References to “IGSI Consultant”, “Investors Group Consultant” or “Consultant” in this Information Update mean “Investors Group Securities Inc. Representative” in Québec.

2 Includes pre-authorized switch arrangements between funds, including systematic transfer and exchange plan (STEP) arrangements.

3 We will send you the Fund Facts document for the series of the Fund you have purchased in lieu of your Fund’s Simplified Prospectus; however, you may still ask your Consultant to have us send you the Simplified Prospectus if you wish to receive it.

Please note: In lieu of having the Fund Facts mailed to you, you may find it more convenient to obtain a copy of it (and/or your Fund's Simplified Prospectus) from the Investors Group website at www.investorsgroup.com or at the SEDAR website at www.sedar.com. We will continue to send you a copy of the Fund Facts for any other Investors Group mutual fund purchases you make during the year.

Redemptions

You may redeem all or part of your investment in any Investors Group mutual fund by completing a redemption request, writing a letter to the Distributor (at the address listed below), or at the election of the Distributor, by other means including telephone, if appropriate arrangements are in place. Securities of your Fund may be redeemed at their net asset value calculated on the valuation day that a redemption request is received at one of our regional offices, or by our Investors Group Securities Inc. Trade Centre, or by an Investors Group Securities Inc. Consultant, provided that the redemption request is received prior to 3:00 p.m. (Central time) on any business day. Redemption requests received after 3:00 p.m. (Central time) on a business day, or on a non-business day, will be executed at the net asset value per unit/share calculated on the following business day. When submitting a redemption request in writing, any outstanding Unit or Share Certificates should be attached where applicable. If the Unit or Share Certificate is not attached, a redemption request will not be processed unless and until you provide us with the Unit or Share Certificate, a satisfactory indemnity or missing security fixed penalty bond. In addition, if you have granted a security interest in or pledged shares or units as collateral for a loan, we may be unable to process a redemption request with respect to those securities until we receive confirmation from your lender, which you must obtain (unless your lender has made other arrangements), that the securities have been released.

Other than in the case of an automatic redemption or complete redemption of an investment in a Fund, withdrawals must not be less than \$100. A redemption order may be cancelled by a Fund if, after requesting a redemption, you fail to comply with all requirements necessary to complete the redemption. Your Fund would then repurchase the same number of shares or units that were redeemed, and you will be responsible for payment of the amount that the repurchase price exceeds the redemption price.

Please consult your Fund's Simplified Prospectus for more details.

A copy of a Fund's current Simplified Prospectus, Fund Facts and Annual Information Form will be provided, without charge by writing to Investors Group at 447 Portage Avenue,

Statement of Registrant Relationships

Related and Connected Issuers

A. GENERAL

Under certain circumstances, IGSI may deal with you or for you in securities transactions where the issuer of those securities or the other party to the transaction is IGSI or a party having an ownership or business relationship with IGSI.

Since these transactions may create a conflict between IGSI's interest and yours, IGSI is required by securities law to disclose to you certain relevant matters relating to the transactions. This statement contains a general description of the required disclosure.

B. IMPORTANT CONCEPTS

"Connected Issuer" – issuer or selling securityholder is a connected issuer of IGSI where the issuer or selling securityholder is distributing securities and one of them, or a related issuer of one of them, has a relationship with any of the following persons or companies that may lead a reasonable prospective purchaser of the securities to question if IGSI and the issuer are independent of each other for the distribution:

IGSI;

- a related issuer of IGSI;
- a director, officer or partner of IGSI; or
- a director, officer or partner of a related issuer of IGSI.

⁴ For Investors Real Property Fund, redemption requests must be received by the Fund at least 30 days prior to the valuation day on which the units will be redeemed. Valuation days for Investors Real Property Fund are on the last business day of each month and on the 15th day of each month (or the business day immediately following the 15th if the 15th is not a business day). For units acquired on or after January 1, 2000, a transfer fee of up to 2% of the net asset value of units transferred into another Investors Group fund may be payable to the Fund if the transfer is made within 18 months (548 days) of the date the units were acquired.

“Influential Securityholder” – Generally includes a securityholder that exercises influence over an issuer on the basis of direct or indirect ownership of securities aggregating more than 20% of the voting rights or entitlements to distributions of an issuer (or more than 10% if accompanied by the entitlement to nominate at least 20% of a board of directors).

“Related Issuer” – A person or company is a related issuer to IGSI if:

- the person or company is an Influential Securityholder of IGSI;
- IGSI is an Influential Securityholder of the person or company; or
- IGSI, and the person or company, are a related issuer of the same third person or company.

A list of Related Issuers and Connected Issuers of IGSI together with a concise statement of the relationship between them and IGSI is set out below.

C. DISCLOSURE

Where IGSI acts as your dealer or advises you with respect to securities issued by IGSI or by a Related Issuer or, in the course of distribution, by a Connected Issuer, IGSI must disclose the nature and extent of its relationship with the issuer of the securities or that IGSI is the issuer. IGSI will also disclose to you where IGSI knows or should know that, if as a result of IGSI acting as your dealer or advisor, securities will be purchased from or sold to IGSI, a Related Issuer or, in the course of distribution, from a Connected Issuer.

The following is a list of the time and manner in which these disclosures will be made:

- Where IGSI buys or sells securities for your account, the required disclosure will be contained in the trade confirmation and account statement which are sent to you;
- Where IGSI advises you with respect to the purchase or sale of securities, the disclosure must be made prior to the giving of the advice, either through the receipt of this disclosure or otherwise; or
- Where IGSI underwrites securities, the required disclosure will be contained in the prospectus or other document being used to qualify those securities.

IGSI may, from time to time, be deemed to be related or connected to one or more issuers for purposes of this disclosure and other rules of the securities laws. IGSI may have acted, and is prepared to continue to act, where permitted by law, as an advisor, dealer, or underwriter with respect to securities of such Related Issuers and Connected Issuers and to provide the full range of services customarily provided by IGSI in respect of securities of other issuers. IGSI shall carry out such services in the ordinary course of its business in accordance with our

usual practices and procedures and in accordance with all applicable disclosure and other regulatory requirements.

Each of PWF and the Related Registrants is a separate legal entity that generally carries on its business independently. However, a Related Registrant may enter into arrangements with another Related Registrant respecting such matters as the provision of support services, distribution or products and services, and client referrals. Conflicts of interest resulting from the above relationships are minimized in a number of ways. Regulations, policies and procedures made by the industry regulating bodies restrict, and otherwise regulate the relationships among dealers, advisors and Related Registrants and govern their relationships with one another and clients. As well, each Related Registrant has its own conflict of interest policies. Compliance with both internal and external regulations, policies and procedures are monitored at all levels of the company under the guidance of the Corporate Compliance Department.

In addition to the foregoing, officers and employees of each Related Registrant are subject to Codes of Conduct governing their actions and internal compliance policies and procedures.
